

GOOD FOOD GROWS HERE.

We're breaking ground by nurturing a whole new way to think about the most delicious part of what nature serves – through innovative, plant-based products. Rooted in great food that does everyone good, our products make every meal a wholesome adventure that always tastes incredible. Great taste sprouts from the ground up – we're sharing our passion and imagination for plant-based foods with consumers everywhere.

GREAT FOOD DOES US GOOD.

BALANCE

Consumers believe that eating more plant-based goodness will help them achieve a more balanced, healthier diet.

SIMPLE & RECOGNIZABLE

With ingredients you know and trust like veggies, beans, legumes, nuts and seeds, and more, you'll get our plant-based best.

SOCIAL & ENVIRONMENTAL

By making conscious choices, we can all do right by our taste buds while also doing good by our world.

52% OF PEOPLE WHO EAT MORE PLANT-BASED FOOD SAID IT MAKES THEM FEEL HEALTHIER.¹

¹Dupont Nutrition & Health

SOWING THE SEEDS OF INNOVATION.

Rich Products delivers on consumer demands for more plant-based foods with a delicious, craveable portfolio that take veggies way beyond salads. Rich's on-trend solutions will give your consumers the fresh fix they desire with the quality and taste they expect.

PLANT FORWARD PRODUCTS

For many consumers, the plant-based journey starts here. Plant Forward products **emphasize** and **celebrate** the wholesome goodness of **vegetables, beans, legumes, fruits, nuts, seeds or intact whole grains**.

39% OF CONSUMERS ARE TRYING TO EAT MORE PLANTS.²

PLANT SUBSTITUTES & ALTERNATIVES

These products are designed to **substitute or replace animal-based food or ingredients** – without any animal-based ingredients like meat or dairy. The alternative space is smaller than that of Plant Forward, but it is growing at a significant pace.

83% OF CONSUMERS ARE ADDING MORE PLANT-BASED FOODS TO THEIR DIETS.³

VEGAN SOLUTIONS

Vegan products share similar requirements in that they **do not contain animal-based ingredients or byproducts**, and are designed to specifically meet vegan requirements. Rich's offers both plant-based and vegan solutions to meet the wide range of consumer needs.

UNLIKE THE MAINSTREAM APPEAL OF PLANT-BASED, VEGAN CONSUMERS ONLY ACCOUNT FOR 3% OF TODAY'S MARKET.⁴

LET'S GROW, TOGETHER.
