

SMOOTH OPERATOR.

SHAKES AND SMOOTHIES SIMPLIFIED – F'REAL.

Smoothies. Milkshakes. Blended bowls. Frozen cocktails. Blended drinks bring comfort and nostalgia, as well as the flavor flexibility to stay on top of the trends. With f'real shakes and smoothies, you can create fun, freshly blended frozen beverages with premium ingredients and fan-favorite flavors – without labor or mess concerns.

Paired with the f'real Foodservice Blender, crafting classic and creative creations are easier than ever. From mouth-watering milkshakes made with real ice cream, to smoothies made with whole frozen fruit, and even coffee drinks with 100% Arabica coffee beans – f'real has all the delicious, quality flavors consumers are looking for.

F'REAL FOR FOODSERVICE.

TURNING OUT FAVORITES

From classic milkshakes made with real ice cream, to smoothies made with whole frozen fruit, and even coffee drinks with 100% Arabica coffee beans — f'real has all the delicious, quality flavors consumers crave.

RAPID R.O.I.

f'real's turnkey program quickly pays for itself — averaging a 3 - 3.5 month return on investment and an annual average profit of approximately \$15,000 (for 12 cups/day in sales).

TURNKEY & HASSLE FREE.

Plug in our patented B7 Blender, load up one of our freezers with f'real cups and you have an instant blended beverage program — driving revenue while cutting your time, training and clean-up costs.

YOUR PERFECT BLEND.

Choose from pre-mixed Blend & Serve cups for shakes and smoothies, or add your signature spin with syrups, purées, alcohols, inclusions and more to the base ingredients in our Made to Order cups.

FAST, EASY & FOOD SAFE.
