Today's consumers' on-the-go lifestyles demand convenience. C-stores are evolving into one-stop-shops built around more than just fuel. They're an in-and-out snack haven, a quick, hot breakfast to go, a pit-stop for a midday pick-me-up, or a place to find an easy family dinner on the way home. Consumers expect all of this with speed and affordability, as well as quality, customizability and variety. That's where Rich's comes in.
