

# MAKE YOUR DOLLAR COUNT.

*We want you to find value in every dollar you spend.*

Since 1999 Rich Products has been a proud USDA approved processor of commodity cheese, flour and pork products. We use our experience and expertise to make the commodity diversion process easier for you. We offer a variety of pass-through systems to allow schools to choose the best option for them. Whether purchasing directly with our Fee for Service Program or through your preferred commercial distributor with our Net Off Invoice or Rebate options, it has never been simpler to provide your students the best meals at the best value.

# COMMODITY SOLUTIONS

We make it easy to save money without sacrificing taste and quality. Using your USDA commodity funds for commodity flour can decrease grain product costs by up to 15% and our commodity cheese program can save 30-50% per serving.
