RICH'S DOUGH BALLS MADE WITH OO STYLE FLOUR

Create the ideal artisan pizza your consumers are expecting with the convenience of the Rich's OO Style Flour Dough Ball. Offering our most authentic pizza making experience, OO Style Flour Dough Balls arrive pre-portioned and ready to thaw, proof, stretch, top and bake into gourmet pizzas.

The Type OO Style Pizza Flour Story

Milled domestically using traditional old world techniques, OO Style flour guarantees high standards of quality that artisans can use to express their creativity in the best way possible. Superior wheat is slowly ground to create a fine textured flour with a lower gluten content which yields dough balls that are smooth and easy to shape. Rich's OO Style Flour Pizza Dough Balls offer a canvas to craft a truly authentic pizza, featuring a flavorful crust with a rim that slightly bubbles and has perfect crispiness. Ideal for high-temperature ovens.

44% of consumers rated "fresh, high quality ingredients" and "best crust" as deciding factors when ordering pizza.
