**THAT'S A FRESH START
FOR FRESH BAKED.**

GOODBYE, PROOFING. HELLO, FRESH BAKED.

FRIED CHICKEN SANDWICH

FRESH? YES. PROOFING? NO!

Roll dough that thaws under refrigeration, then goes right into the oven with no proofing or floor time for a fresh baked aroma, appearance, texture and taste.

FRESH BAKED MADE EASY.

Thaw, score, bake. That's it! Oh-so-easy handling with all the creative flexibility to shape, top and season – and bake on demand when the lunch rush hits.

NO PROOF. NO PROBLEM.

From improper proofing, to the waste or missed opportunity of pulling too much or too little product, to the time it takes and labor challenges – they all vanish with No Proof.

GO AHEAD, READ THE LABEL.

Our No Proof Roll Dough meets our Clean Label Guidelines with simple, recognizable ingredients that you and your students can feel good about.
